Dear [REDACTED],

FREEDOM OF INFORMATION ACT 2000 – 020-059 Internal Review

I write further to your request, received by us on 27th July 2020, that we conduct an internal review into our decision dated 27th July 2020 (“**Initial Decision**”) regarding your request for information submitted on 28th January 2020 (“**Request for Information**”).

You asked, in your Request for Information, that we provide the following information:

“Agreements with the Office of Chinese Language Council International (Hanban) and the Beijing University on the establishment / continuation of the Confucius Institute at UCL Institute of Education”

In our Initial Decision we provided you with a response to your Request for Information but you considered that information to be incomplete, in particular you said that a supplementary agreement referred to in one of the documents disclosed had not been provided.

As requested by you, we have conducted an Internal Review of your Request for Information pursuant to our internal review procedure. The outcome of our Internal Review is as follows:

We will provide the supplementary agreement

The reasons for this are as follows:

The supplementary agreement was inadvertently omitted from our Initial Decision. The version of the supplementary agreement attached is unsigned. We are unsure whether a signed version is held in a physical file on UCL campus but we are unable, under the current circumstances, to access campus in order to check.

We have now reconsidered your Request for Information under our internal review procedure. Should you remain dissatisfied with the handling of your request, you can make a complaint to the Information Commissioner:
