

Dear 

Thank you for your Freedom of Information Act request of 14<sup>th</sup> July, and for your subsequent clarifications of 14<sup>th</sup> and 17<sup>th</sup> July. I have reproduced your questions below together with SOAS's response.

**Your request**

**Please provide all documentation the university holds about the Chinese Students and Scholars Association (CSSA). This is a student group at your university that is controlled by the Chinese embassy.**

**I am interested in documentation that CSSA members have signed with the university, such as the Constitution and copies of room bookings made by the group.**

**Regarding the timeframe, please provide documentation from the last 10 years.**

**Our response**

Information not held. Reasonable searches have been carried out and indicate that no information is held within the scope of your request.

The Chinese Students and Scholars Association is represented at SOAS as a student society, and falls within the purview of the Students' Union. Whilst the Student' Union is not subject to FOI law, you may wish to contact them directly: [Chines Students and Scholars Association \(soasunion.org\)](https://soasunion.org).
