

**FOI Request – FOI2223/07/29**

I refer to your Freedom of Information request received on 24 July 2023

**Your Request**

Please provide documentation the university holds about the Chinese Society in the university.

I am interested in documentation that members of this Society submitted to the university and its subsidiary bodies, particularly concerning student affairs. This may include items such as the Constitution, funding applications, or copies of room bookings made by the group.

Please provide relevant information from year 2013-2023.

**University's Response**

Further to Section 1 of the Freedom of Information Act 2000 (the "Act") we confirm that the information requested is not held by the University of Sunderland (the "University").

The University of Sunderland Student Union ("Student Union") is a separate organisation and legal entity to the University of Sunderland. Any information held by the Student Union is not returnable by the University of Sunderland under the Freedom of Information Act.

All societies will liaise with the Student Union, rather than the University. This includes matters detailed in your request such as room bookings and funding applications.

For more information about the Student Union, including how it is managed, please see the webpage: [Sunderland @ University of Sunderland Students' Union \(sunderlandsu.co.uk\)](https://sunderland@universityofsunderland.co.uk)

If you have any further enquiries about this matter, please do not hesitate to contact us by emailing [sunfoi@sunderland.ac.uk](mailto:sunfoi@sunderland.ac.uk).

Kind regards,
