Dear [REDACTED]

Freedom of Information Request Ref: F23_248

Thank you for your request for information from the University of York. Please see our response below.

Please provide a list of all financial interactions between the university and its subsidiary institutions and the Chinese Students and Scholars Association (CSSA). IE, please provide a list of funding provided to the CSSA.

The University holds no records of any payments having been made/funding given by the University to the Chinese Students and Scholars Association (CSSA). We have checked records held in our accounting system back to 2012. We are unable to access information prior to this date.

It may be helpful to you to know that the CSSA is a student society which is a part of York University Students Union (YUSU). YUSU is an independent organisation, not part of the University.

If you are dissatisfied with the handling of your request, [you have the right to ask for an internal review](#). Your internal review request should be submitted in writing by 16 October 2023 to foi@york.ac.uk, detailing your grounds for appeal/complaint.

If you are not content with the outcome of the internal review, you have the right to apply directly to [the Information Commissioner](#) for a decision.

I hope this information is useful.

Yours sincerely,

Information Governance Team
