Dear Mr Lubbock,

Thank you for your request for information that you sent to the University on 24 April 2023 which we have considered in accordance with the Freedom of Information Act 2000 ('the Act') as requested.

Request for Information

You asked the following question:

I would like to ask whether your university has ever had any contracts or business relationships with BGI Genomics. If there has been any work undertaken by BGI Genomics with your university, please can you provide a list of these contracts with dates from and to, and a short description of what the contract was for.

The University's Response

Following a check of the University's records, I confirm that the University has had no contractual relationships with BGI Genomics, and therefore has no recorded information to provide in answer to your request.

Your right to complain under the Act

If you are not happy with this response, you may request an internal review, by emailing foi@bradford.ac.uk, within 40 working days of the date of this letter. The University will undertake an internal review and will aim to inform you of the outcome of this review within 20 working days.

If you are not content with the outcome of the internal review, you may apply directly to the Information Commissioner's Office for a decision. Generally, the Commissioner will not do so unless you have exhausted our own internal review procedure.
