

IMPS#03786 - FOI Request: University of Reading Involvement at NUIST Reading Academy

IMPS <vis04imp@reading.ac.uk>
To: [REDACTED]

25 March 2024 at 14:32

Dear [REDACTED]

We have completed the compilation of information in response to your request.

We can confirm that we do hold the information specified in your request. Our responses are given below each limb of your request in [blue](#).

We are required to include details of our complaint procedures, including your rights to apply to the Information Commissioner. The procedure is detailed in our Freedom of Information and Environmental Information Regulations policy on the web at <https://www.reading.ac.uk/imps/foieirpolicy>

If we are unable to resolve any complaint, you can complain to the Information Commissioner, the independent body who oversees the access to information regimes: <https://ico.org.uk/make-a-complaint/>

Yours sincerely,

Information Compliance Officer

Information Management & Policy Services (IMPS),
University of Reading, Whiteknights, Reading, RG6 6UR

Subject: IMPS#03786 - FOI Request: University of Reading Involvement at NUIST Reading Academy

You don't often get email from [REDACTED] [Learn why this is important](#)

Dear University of Reading,

This is a Freedom of Information request under the Freedom of Information Act 2000. Please provide the following information:

- From 2015 to 2023, the numbers of University of Reading degrees (including all Bachelor and Master) conferred every year at the NUIST Reading Academy. Please provide this information in aggregated numbers by different programmes.

	2022 NUIST	2023 NUIST
Applied Chemistry	10	14
Atmospheric Science	22	35
Business Economics and Trade	44	41
Environmental Engineering	30	28
Mathematics and Applied Mathematics	55	40

Please note: the University has conferred programmes for the last two years only, therefore data is not available for previous years.

- Lists of education programmes, research projects, and research grants that are currently operational at NUIST Reading Academy, either participated by NUIST Reading Academy students and staff or sponsored by the NUIST Reading Academy and the University of Reading.

List of operational programmes provided below. Please note, there are currently no operational research grants, or University level research projects.

- BSc Atmospheric Sciences
- BSc Applied Chemistry
- BSc Business Economics and Trade
- BSc Environmental Engineering
- BSc Mathematics and Applied Mathematics
- BA Law (no new intake from September 2020)
- BSc Data Science
- BSc Human and Physical Geography
- MSc Data and Decision Analysis
- MSc Data Science

- University of Reading policies and governance structure which oversee the operations, including student experience and research, at the NUIST Reading Academy. Please provide relevant policy documents and/or relevant administrative staff role specifications where applicable.

Partnerships follow the University of Reading policies and governance. These are available here: <https://www.reading.ac.uk/cqsd/policies-procedures>

(Technically, this is exempt information on the basis on the following FOIA exemption section 21 – information accessible to applicant by other means.)

- From 2015 to 2023, donations, grants, and research fundings received by the University of Reading and its affiliated entities from the Nanjing University of Information Science and Technology and/or any affiliated individuals, companies, or relevant Chinese official agencies.

Nil (£0)

If you feel that a substantive response to this request is not possible within a reasonable time frame, I would be grateful if you could contact me and provide assistance as to how I can refine the request. If you need any clarification, please contact me. I look forward to receiving a response in 20 working days. Many thanks.

Yours Sincerely,

—
