

UK Universities' visits to China 2023-24

23/10/2024

At the beginning of September 2024, UK-China Transparency sent Freedom of Information (FOI) requests to all public British universities asking them to provide the following data:

- The number of visits to China in the last 18 months by the Vice-Chancellor (or equivalent), any pro-VC (or equivalent), dean international (or equivalent), or any other executive-level staff (not academic or research staff).
- Please, for each visit, state the role of the staff member(s) who went, and a list of meetings/itinerary.

By the 23rd of October, UK-China Transparency received responses from over 60 universities within the statutory timeframe, and we have now published these responses in our [digital library](#). Any further responses will be added as soon as they arrive.
